Eggnog Bundt Cake

We at Katrina Rozelle shamelessly fantasize about this treat all year, so when we finally make it, we accidentally break at least one from each batch so we'll have a good excuse to indulge. This holiday creation is incredibly light, perfumed with eggnog and nutmeg, and enrobed in a sinful whisky glaze.

Pumpkin Walnut Loaf

This was a cherished cake from Katrina's childhood, and was a staple at every holiday gathering. It is moist, full-bodied, scented with classic holiday spices, and packed with sweet walnuts. **8" Loaf \$17.25**

Chocolate Cupcakes

Don't be fooled by these deceptively demure individual treats. Sure they look like cupcakes, but their seductively rich intensity practically demands a knife and fork. Grown men have been known to beg for more. Really! **\$3.75 Each**
